

Transfer Form

This form is required for any guns that are being shipped to or from our store, prior to the gun being shipped. Please complete all fields below and send us a copy of this form. Our standard transfer fee is **\$40 per gun**. Current shipping and handling rates may be viewed on our website, and insurance is also available for an additional fee. Please refer to our transfer guidelines on our website for further information

Handguns being shipped to us must be sent from an FFL. We will accept shipments of long guns from an individual who does not possess an FFL. They must provide a legible copy of their driver's license or other valid government-issued photo identification. We will not provide a copy of our FFL to a non-licensee; we will provide only the first and last digits needed for verification purposes, upon request.

If a gun arrives at our store and is not compliant, it will be returned to the sender at your cost.
